

HELPPBNK LEGAL STEP 5 - PROTECT BRAND AND IP; SET CONTRACTOR AND NDA TEMPLATES

Date: February 21, 2026

OBJECTIVE

Protect the business brand/IP and standardize legal paperwork for collaboration.

BRAND PROTECTION

1. Secure core domain and handles
2. Start trademark review for chosen brand name/logo
3. Keep brand usage guidelines simple and documented

IP PROTECTION

1. Confirm company ownership of core code/assets
2. Use IP assignment clauses in all contractor agreements
3. Keep sensitive logic and credentials controlled

TEMPLATE PACK

Prepare standard templates for:

1. Mutual NDA
2. Contractor agreement with IP assignment
3. Advisor agreement (if applicable)
4. Data-sharing/confidentiality clause for external reviews

COMPLETION CRITERIA

1. Template pack ready for use
2. IP ownership position documented
3. Brand protection steps initiated and tracked
